

PLEASE READ BEFORE FOLLOWING THROUGH WITH SUBSCRIPTION.

An active [PayPal account](#) is required to partake in any Payment Plan option.

There can only be **1 person subscribed to a recurring payment plan for each beat**. Example: if "Artist 1" is subscribed to "Beat 1", nobody else will be able to subscribe to that same instrumental unless "Artist 1" vacates their subscription.

If a subscriber is terminated (departs without notice) or voluntarily ends their recurring payments, the chance for somebody else to subscribe to that same plan will be open as a new payment plan (Starting over from \$0).

Whether you voluntarily end your subscription or vacate without notice, you **WILL NOT** be refunded any previous payments. You will receive a digital download of the mp3, premium and/or "Track Out", nothing can be tracked on what you did or did not download, therefore **ALL PAYMENTS ARE FINAL**. By deciding to follow through and make your first payment to any choice of subscription, you are stating you have read your rights and agree to all terms.

While you are making payments on a subscription (instrumental) that same beat will continue to be available for purchase on basic leasing terms (Non-Exclusive, Premium and Track Out leases) to others. However, the EXCLUSIVE RIGHTS option will be removed from the public so that there are no interruptions where somebody attempts to purchase the EXCLUSIVE RIGHTS to the same beat you are making payments on.

You have the option to **cancel/unsubscribe at any time with no extra fees** or questions although no prior payments will be refunded; ALL PAYMENTS ARE FINAL. If you do decide to cancel your subscription early you **WILL NOT** gain full exclusive rights to the instrumental, instead you will be granted the same rights as the [TRACK OUT](#) lease.

Any payment plan available on this site **does NOT affect your credit or name** and is simply an online transaction between a buyer and seller which grants you the right to opt out at any time with no penalties.

If you are required to make a payment on a certain day and fail to do so, you will have 7 days from that day to CONTACT ABEL BEATS to inform us about receiving a *grace period. If you fail to contact Abel Beats within the 7 grace days and both (buyer & seller) have come to an agreement, your subscription will be terminated and will be available for new subscribers.

If you end your subscription and later decide to resume payments, you may do so with a few exceptions. You must not have vacated the prior subscription without CONTACTING ABEL BEATS in the 7 days from your missed payment date (details listed in the paragraph above). The subscription you would like to continue must still be available (somebody else not making payments). Also the producer/seller (Abel Beats) and you, the buyer, would have to come to an agreement on the new/updated terms, such as a deadline and consequences if you decide to vacate again.

Once you have successfully paid all required payments towards your subscription, you will you be granted the [FULL EXCLUSIVE RIGHTS](#) to that instrumental. The instrumental will then be taken down from all "Abel Beats" associated sites. The seller (Abel Beats) & buyer (You) **CANNOT** resell the instrumental.

ALL PRODUCER CREDITS MUST BE GIVEN TO "Abel Beats".

If you plan to register your music with a PRO (Performing Rights Organization), you are required to include Abel Beats as an "Original Publisher" for the producer of the original composition.
